T10 Report - January 22, 2003

T10 met last in Portland, OR on Thursday January 16, 2003 with 41 people present. Membership is at 40 voting organizations.

The second public review on FCP-2 closed without comments. INCITS will consider it at their February meeting for approval.

SPI-5 Rev 6 was forwarded to INCITS for second public review, resolving the one first public review comment to remove Annex E.

PIP Rev 4 and SSM-2 Rev 5a were forwarded to INCITS for first public review.

A project proposal for SSC-3 was approved and is at INCITS for approval.

The physical and transport ADI projects are being merged into one project.

SRP and SPI-4 were published as ANSI standards.

The SAS forwarding letter ballot passed (29:8:3:2=43) with over 2000 comments
received from 15 organizations. The aggressive goal is to resolve the comments
by the March T10 meeting.

Texas Instruments will host the next plenary meeting of T10 March 13, 2003 in
