Subject: Approval of Project Proposal for Time Limited Read/Write Mode TR

On April 22, 2004 Technical Committee T13 approved new project proposal T13/E04108R1, Time Limited Read/Write Mode.

The project proposal was made available to committee members on February 13, 2004 meeting the mandatory two week rule for approval.

Motion to approve the project proposal was made by Jim Hatfield of Seagate Corporation and was seconded by Glenn Lott of ST Microelectronics Corporation. The vote was 15 yes, 0 no, 0 abstain, 5 member organizations not present, meeting the required two-thirds vote to approve the project.

The technical committee is requesting this project for registration of an INCITS project number and a web announcement.

The next T13 plenary meeting will be held June 22 through 24, 2001 at Phoenix Technologies, San Jose, CA 95035.

Regards,

Dan Colegrove
Chairman, T13
