Subject: Approval of Project Proposal for SMART Command Transport (SCT)

On April 22, 2004 Technical Committee T13 approved new project proposal T13/e04117R1, SMART Command Transport (SCT).

The project proposal was made available to committee members on April 5, 2004 meeting the mandatory two week rule for approval.

Motion to approve the project proposal was made by John Masiewicz of Western Digital Corporation and Seconded by Mark Overby of nVidia Corporation. The vote was 15 yes, 0 no, 0 abstain, 5 member organizations not present, meeting the required two-thirds vote to approve the project.

The technical committee is requesting this project for registration of an INCITS project number and a web announcement.

The next T13 plenary meeting will be held June 22 through 24, 2001 at Phoenix Technologies, San Jose, CA 95035.

Regards,

Dan Colegrove
Chairman, T13
