Directions from SNA (Orange County/John Wayne airport):

1. Follow the signs to I405 South and go approx 8 miles
2. Exit Bake Pkwy and turn left. Go approx 5 miles (you will go past Trabuco and up a hill. If you get to the toll road you went too far)
3. WD is on Bake, just past Dimension on the right side. There is a driveway that enters the parking lot just behind the WD building. This is the best way in.
