### Driving Notes

The Richardson Civic Center is located on the southwest corner of the intersection of West Arapaho and US 75. The Civic Center is flanked by the Richardson Library, which is the one building in the complex that fronts on Arapaho Road.

The Civic Center is best accessed from the south side, where the street is Belle Grove Drive.

The conference room is closest to the west door (pictured below as seen from the south parking lot entry).

The Civic Center opens at 8 am and the meetings are scheduled to start at 9 am.

The Plenary is in the Richardson room, which is on the first hallway to the left after entering from the west. As luck would have it, the Richardson room is where the City Council holds its working meetings. The official Council chamber, where public meetings are held, is located around the corner.

In addition to all the other code violations that are possible, it is a violation for anyone who is not a city employee to move the furniture. Therefore, the host will be present early to ensure that everything is in its place.

On Thursday, the Civic Center will provide a Polycom and phone line for the conference call meeting.

<sup>†</sup> The Richardson Civic Center is also Richardson City Hall. Because of the large number of code inspectors present in the building, code enforcement is very strict (e.g., too many people in a room).
